***Coverite – “We Cover the World!”™***

Coverite is a “PRIME Manufacturer” of vehicle covers and we are known all over the world as a “Quality Cover Supplier.” To insure Quality, we Invent, Design, and/or Manufacture the fabrics we use in most of our products -- we even weave our own Silvertex fabric. Coverite also sells many Major Dealers, Warehouse Distributors and Retail Chains throughout the World, found in the following countries:

Australia      Canada      Germany      Greece      Holland - (Supplying Eastern Europe)  
India - (Note: Our **Silvertex** is “Consumer Preferred” over all other “Look-A-Like” Competitive Fabrics)  
Japan - (OEM supplier to Yamaha)      New Zealand      South Africa      United Kingdom  
And in the USA!!
